

A vibrant, colorful scene of children's toys. In the center, a large structure is built from multi-colored alphabet blocks (red, yellow, green, blue) with letters like S, B, U, C, O, H, R, E, A, N, M, F, K, Y, Q, and P. To the left, there's a small stack of four colored blocks (blue, red, yellow, green) on a tiny wooden stand. Above the blocks, several colorful rings (red, green, blue, yellow) are hanging from a black grid. To the right, a framed picture of a smiling yellow lion is visible. In the foreground, more alphabet blocks are scattered on a wooden floor, along with a yellow gear and a small blue toy car. The overall atmosphere is playful and educational.
